

Investing for Success

Under this agreement for 2018

Stanthorpe State High School will receive

\$344 423*

This funding will be used to:

- improve student achievement through embedding explicit teaching and Essential Skills for Classroom Management (ESCM) in every teacher's pedagogy and in the classroom
- improve student attendance to greater than 90% across all year levels
- work towards 100% of Year 7 and Year 9 students attaining greater than or equal to National Minimum Standards in NAPLAN Reading and Numeracy
- increase the percentage of Year 7 and Year 9 students achieving in the Upper Two Bands of NAPLAN Reading and Numeracy to levels similar to or greater than the national average
- improve NAPLAN relative gain from Year 5-7 and Year 7-9
- maintain 100% QCE attainment and greater than, or equal to 85% OPs in the 1-15 range.

Our initiatives include:

- professional development, coaching, feedback and classroom profiling to embed explicit teaching and ESCM in every teacher's pedagogy and in the classroom
- embedding a culture of classroom observation, coaching and feedback to support and encourage reflective practice
- focused and intensive teaching for students requiring additional support to demonstrate achievement against their year level achievement standards and/or chosen pathways
- the provision of resources (human, financial and physical) to assist in the attainment of identified targets
- supporting the improvement of health and well-being of staff and students.

Our school will improve student outcomes by:

<p>Implementing and supporting teachers, through professional development and where necessary, workforce reform initiatives.</p> <p>Embedding a culture of classroom observation, coaching and feedback program for teachers in school based approaches to pedagogy, ESCM and explicit teaching.</p> <p>Providing professional development in behavior management. Implementation of strategies for the improved personal health and well-being of staff and students.</p>	<p>\$60 400</p>
<p>Employment of human resources targeted at priority learning areas identified to improve student achievement, improve attendance, maintain 100% QCE attainment, and improve VET qualification completions and OP attainment levels. Human resources may include but will not be limited to Youth Worker, Teacher/s, Student Support worker, Indigenous Support worker, teacher aides and non-DET instructors with relevant expertise to assist achieving targeted outcomes.</p>	<p>\$100 000</p>

* Funding amount estimated on 2017 data. Actual funding will be determined after 2018 enrolment data are finalised.
