

ITALIAN

ELECTIVE
SUBJECT

Year 9

Course Outline: Across years 9 and 10, students develop their confidence and fluency in language use. Students use Italian to interact and communicate; to access, exchange and present information and to interpret, analyse and create a range of texts and experiences

Learning Experiences:

- Writing e-mails, letters, reports, projects, diaries, journals
 - Listening to and reading authentic texts, films and interviews
 - Self-paced learning with the online Language Perfect program
-

Duration: 1 year

Assessment:

All strands of the Australian Curriculum will be taught and formally assessed over Year 9 and Year 10.

Certification: School End of Semester Reports.

Commitment: In order to succeed in this subject, students must:

- Regularly review/study vocabulary
 - Use the online Language Perfect program to build language skills
 - Complete all classwork, homework and assessment as required.
-

Cost: Nil in addition to standard school fees.

Course Requirements: A laptop that meets school minimum specifications. Stationery items as per book-list.

Links to Careers: A second language can provide more opportunities for employment and further study, as well as an advantage when travelling.

Italian is the national language of almost 60 million people living in Italy and is spoken by millions who have migrated from Italy to all parts of the world. It is universally recognised as a language of culture, art, music, opera and cuisine.
